ConnectEd
COUNSELLING AND CONSULTANCY

Information for referrers

A quick guide to referral pathways, services and our clinic team.

At ConnectEd Counselling and Consultancy (Graceville), our team of psychologists support children, adolescents, young adults/adults and parents. We value working collaboratively with other professionals to ensure the best possible support for our clients.

Who we support

- Children
- Adolescents
- Young adults / adults
- Parents

Services

- Counselling
- Psychoeducational assessments
- ADHD assessments
- Autism assessments

How to refer

1 Send a referral

Email us at **admin@connectedcc.com.au** or encourage the client to book online at www.connectedcc.con.au/book-now/

2 We'll be in touch

We contact the client within 24–48 hours and get them booked in. We use an online booking system so it is very convenient for clients

3 Alternative options

If the preferred clinician is unavailable, we'll connect them with another of our team

Funding and rebates

- Full fee
- Mental Health Care Plan (Better Access)
- Private health
- NDIS (self-funded and plan managed)

Contact

admin@connectedcc.com.au | 3/101 Verney Road West, Graceville QLD 4075 | https://connectedcc.com.au/book-now/

We do not have full-time admin so do not operate a clinic phone number. Please email us and we'll get back to you very quickly + we can also schedule a call with any of our psychologists if you need to speak to them directly

ConnectEd
COUNSELLING AND CONSULTANCY

Clinic team

Our psychologists are skilled across all aspects of mental health care, so we typically offer options, based on the age of the client. With backgrounds in schools and community, they are experienced at adapting to suit the needs of their clients and are flexible and feedback-informed in their approach.
